

Michigan Conference UCC *reVision*

1 WHO SHOULD CONSIDER REVISION?

Helpful questions for discernment:

- * Are you ready to embark on a bold and brave journey to discern God's call for the future of your congregation?
- * Are you ready to start with your heart rather than your head?
- * Are you ready to participate in spiritual practice and small group opportunities? Do you have reason to believe that at least 60% of your worshipping community will participate?

Is your congregation interested in discerning the answers to these questions?

- * What is yearning to be born this day?
- * What vision is God casting in the world?
- * How will your community be a part of it?

If so, *reVision* may be right for you.^

2 WHAT IS INVOLVED?

During each phase of the year long process, you will be supported by individual or group coaching, videos providing guidance and advice, and written/electronic resources to help you on your way.

You will meet with your coach for an initial session of conversation and discussion before receiving your *reVision* book. She/he will help you discern next steps once you have read through these materials and have a clear understanding of the process.

The pastor and leadership team will receive assistance in preparing congregation for this work.
